Sandy Finance Office Receives Awards

For 19 years, Sandy's Finance Department has received the Certificate of Achievement in Financial Reporting for its report known as CAFR (Comprehensive Annual Financial Report). The award is given by the Government Finance Officers Association and is the highest form of recognition in the area of governmental accounting. It is awarded to agencies who demonstrate a constructive way to clearly communicate the financial story and motivate users and groups to read the CAFR.

Also in the finance department, several employees have been recognized for their achievement of the Distinguished Budget Presentation award by their commitment to satisfy national guidelines in governmental budgeting and effective budget presentation. Congratulations to the Finance Department for receiving these prestigious awards. This is the 3rd year the finance department has received this honor.
